

Restaurant Mobile Marketing

A branded, mobile marketing program designed exclusively for your independent restaurant or small chain

People are busier than ever, so decisions like where to eat are made quickly and on the move. Deliver your most important information to diners on their cell phones, when it really counts. We will help you reach diners anywhere and anytime, with impact!

It is 10:30 AM. You are thinking about where to get lunch. You received a text message with a special from a restaurant just blocks from your office. Decision made!

- Keep customers informed of menu items, drinks and upcoming events
- Offer exclusive mobile coupons and passes
- Support mobile ordering and more

Text Messaging Restaurant Loyalty Marketing

- No long term contract to sign – month to month
- Send specials with fraud prevention to protect from duplicate usage
- Receive custom marketing/promotional materials
- Learn effective Keyword usage
- Build a quality text message database with useful criteria such as age, gender, significant dates, and more
- Easy to administer or we can do it for you

OUR DIFFERENCE: FULL SERVICE RESTAURANT MARKETING

We don't just help you send out text messages. We create a brand-specific, custom plan, a call to action, and a strategy for reaching your unique diner base.

Text 'DINE' to 839863 for demo or inquiries
